

About us

CC's is more than just a chocolate shop. We offer a wide array of coffee drinks, hand dipped ice cream, fresh bakery & desserts as well as a light breakfast and lunch menu.

All of our products unless otherwise noted, are hand made in house using the best ingredients. The selection is always changing so you never know what will be available on your next visit.

We are very proud to use and offer coffee from a local roaster located right in Wisconsin. Terra Verde uses only high quality, fair trade organic beans. To ensure freshness, they only roast the beans when filling orders.

Our ice cream is also made locally by Scoops. Scoops only uses fresh cream from a local dairy and makes all of their ice cream in small batches when ordered.

CC's also does catering! Call us to find out what we can do for your event!
